

CHAPTER 95: NOISE CONTROL

Section

- 95.01 Loud and unnecessary noises prohibited; enumeration
- 95.02 Blowing horns
- 95.03 Drums and loudspeakers
- 95.04 Radios and phonographs
- 95.05 Vehicle noise
- 95.06 Devices using compressed air
- 95.07 Exhaust discharge
- 95.08 Building operations

95.99 Penalty

§ 95.01 LOUD AND UNNECESSARY NOISE PROHIBITED; ENUMERATION.

The creation of an unreasonably loud, disturbing, and unnecessary noise in the Village is prohibited. Noise of such character, intensity, and duration as to be detrimental to the life or health of any individual is prohibited. The acts provided in this chapter, among others, are declared to be loud, disturbing, and unnecessary noises in violation of this chapter, but this enumeration shall not be deemed to be exclusive.

Penalty, see § 95.99

§ 95.02 BLOWING HORNS.

The sounding or blowing of any horn or any signal device on any automobile, motorcycle, bus, or other vehicle while not in motion, except as a signal if another vehicle is approaching apparently out of control, or if in motion only as a danger signal; the creation by means of any signal of any reasonably loud or harsh sound; and the sounding of the device for any unnecessary or unreasonable period of time shall be prohibited.

Penalty, see § 95.99

§ 95.03 DRUMS AND LOUDSPEAKERS.

The use of any drum, loudspeaker, or other instrument or device for the purpose of attracting attention by creation of noise to any performance, show, sale, display, or advertisement of merchandise shall be prohibited. Penalty, see § 95.99

§ 95.04 RADIOS AND PHONOGRAPHS.

(A) The outdoor use of radios, phonographs, and the like shall be prohibited in the following incidents:

(1) The operation of a juke box, radio, phonograph, television, or other instrument of like nature, with or without a transmitter or amplifier, so that the music or information produced by the instrument shall be discharged into the open or outside of any building.

(2) The use of any out-of-door amplifier.

(3) The playing of any radio, phonograph, television, or any musical instrument in such a manner as to annoy or disturb the quiet, comfort, or repose of any persons in any dwelling, hotel, or other type of residence.

(B) However, the broadcasting of events occurring in any athletic contest of the Village, the broadcasting of a band concert produced by live participants in the Village, or the broadcasting of any music, chimes, or bells by any church shall not be included in the foregoing designations. Penalty, see § 95.99

§ 95.05 VEHICLE NOISE.

The use of any automobile, motorcycle, or vehicle so out of repair, so loaded, or in any condition that creates loud or unnecessary grating, grinding, rattling, screeching of tires, or other noise, shall be prohibited. Penalty, see § 95.99

§ 95.06 DEVICES USING COMPRESSED AIR.

The use of any mechanical device operated by compressed air shall be prohibited, unless the noise created thereby is effectively muffled and reduced. Penalty, see § 95.99

§ 95.07 EXHAUST DISCHARGE.

The discharge in the open air of the exhaust of a steam engine, stationary internal combustion engine, or motor vehicle shall be prohibited, except through a muffler or other device which will effectively prevent noises therefrom. Penalty, see § 95.99

§ 95.08 BUILDING OPERATIONS.

The erection (including excavations), demolition, alteration, or repair of any building in a residential or business district other than between the hours of 7:00 a.m. and 6:00 p.m. on weekdays shall be prohibited, except in case of urgent necessity in the interest of public safety, and then only with a permit from the President, which permit shall be renewed for a period of three days or less while the emergency continues. Penalty, see § 95.99

§ 95.99 PENALTY.

Whoever violates any provision of this chapter for which another penalty is not specifically provided shall be fined not more than \$750 for each and every violation thereof. Every day the violation continues shall constitute a separate offense.
