Re: Village of Hanna City Annexation

Enclosed please find a Petition for Annexation and a Pre-Annexation Agreement for the property you have indicated you had interest in annexing to the Village. Please review the documents and contact Mayor Winterroth with any questions or changes you may have. If the documents appear satisfactory, please fill in your property identification number (located on your real estate tax bill), your physical address, and the requested zoning classification on both the petition and annexation agreement (pages from zoning ordinance are attached for your use), please sign them both where indicated and, particularly with the petition, your signature needs to be completed in front of a Notary. (You can contact the Village and make arrangements to have it notarized. Please return the documents to the Village Hall. If your property does not currently touch the Village of Hanna City, we will hold the Petition on file until such time as your property does touch the Village limits.

Once we receive the signed Pre-Annexation Agreement, we will finalize the procedures the Village needs to go through to be able to sign it. Once it is signed by the Village, you will be under its zoning and building code and subdivision jurisdiction, not that of Peoria County. The process takes approximately 4 – 8 weeks to complete after receiving your signed documents.

The Village appreciates your interest in annexing. If you have any further questions, please contact Mayor Winterroth.

Respectfully yours,

Fred Winterroth, Mayor

Myrna Klatt, Village Clerk

1. The foregoing Recitals are incorporated herein as though fully set forth.

However, should the Village elect at any time pre or post annexation to provide services as described above or otherwise, the Owner agrees to reasonably cooperate with the Village's providing services to the Premises.

9. **Non-Waiver.** Failure to enforce compliance with any term of this Agreement does not constitute future waiver of the same or any other term.

10. **Agreement Paramount.** The provisions of this Agreement shall control over the provisions of any ordinances, codes, or regulations of the Village which are in conflict with the provisions of this Agreement.

11. **No Other Agreements.** All of the agreements and understandings of the Parties are contained and fully integrated in the terms of this Agreement, which supersedes all prior oral or written agreements and merges all contemporaneous discussions of the Parties.

12. **Amendments.** This Agreement may be amended by the mutual consent of the Parties hereto by the adoption of an ordinance by the Village amending the terms of this Agreement as provided by law and the agreement to such amendment by all of the Parties hereto or by their successors in interest. No amendment to the Agreement shall be needed as a part of the approval of any subdivision plat or development plan for any portion of the Property, where

such plat or plan is processed and approved consistent with the otherwise applicable codes, laws, or ordinances of the Village or State of Illinois and any applicable provisions of this Agreement.

13. Time of Essence. Time shall be of the essence of each and every provision and condition set forth in this Agreement.

14. The Owner(s) agrees all ordinances of the Village apply during the life of this Agreement and before full annexation to the extent allowed by law.

15. Should any portion of this Agreement be held invalid or unenforceable, the remaining portions shall remain in full force and effect.
