1. Property owners may apply for and receive Program grants for the same property only one time during each fiscal year (May 1st through April 30th), commencing on May 1, 2023.
2. Only properties that are located within the Hanna City Business Development District (BDD) 1 are eligible to apply for this Program. A "Property" is defined herein as a parcel upon which an existing residential property (rented or owner-occupied) is located on a lot having a unique Property Identification Number (PIN) as assigned by the Office of the Peoria County Supervisor of Assessments. The PIN can be found on the most recent real estate tax bill.
3. If Applicant is a tenant of the Property and is undertaking leasehold improvements that will be reimbursed through Program grant funding, then the Applicant must provide Village with verification of written consent from the property owner for the proposed improvements described herein.
4. Applicants must attach a detailed description of the planned improvements, estimated costs of the project (including contractor bids) and a project schedule. Conceptual sketches and drawings are encouraged, and the Village reserves the right to request additional information, including but not limited to how the building will be utilized (e.g., anticipated type of business use) after the improvements are completed.
5. Projects supported with Program grant funds must comply with the BDD Act, the Village's Design Review Guidelines, and applicable building codes. Applicant may consult with Village Staff regarding specific requirements and permits. Pursuant to the BDD Act, no Program Grant Funds shall be used to demolish, remove, or substantially modify a historic resource. Exceptions may be made for a place or structure for which the Village determines no prudent and feasible alternative exists, or the demolition, removal, or modification is subject to review by the preservation agency of a Certified Local Government designated as such by the National Park Service of the United States Department of the Interior. A "historic resource" for the purpose of this paragraph means (i) a place or structure that is included or eligible for inclusion on the National Register of Historic Places or (ii) a contributing structure in a district on the National Register of Historic Places.

Gravel and site preparation for new private concrete or asphalt drives and sidewalks may be considered eligible, however the actual concrete and asphalt for new private drives and sidewalks are not eligible reimbursement under this Program.
 - Certain interior improvements which are a consequence of the proposed exterior rehabilitation may qualify, however general custodial, cleaning, and property maintenance services do not qualify for reimbursement through this Program. Repairs and renovations that are believed to be outside the scope of this Program should be discussed with Village staff, who may recommend other types of assistance.
 8. All Project improvements must be completed within 180 days of the Village Board’s approval of the Program Application.
 9. Applications are subject to initial review and recommendation by the Hanna City Economic Development Committee, Village Administrator, and the Village’s BDD Administrator. All applications must then be approved by the Hanna City Village Board.
 10. It is the understanding of the Village and the Applicant that the position of the Illinois Department of Labor is that the Illinois Prevailing Wage Act does not apply to BDD tax received by private Developers as reimbursement for BDD Eligible Project Costs. This position of the Department of Labor is stated as an answer to a FAQ on its website at: <https://www2.illinois.gov/idol/FAQs/Pages/prevailing-wage-faq.aspx#qst16>.
 11. **Program grant funds are paid by the Village of Hanna City to the Applicant upon completion of the Project and verification of BDD eligible project costs – no exceptions.** In advance of receiving Program grant funds, Applicant must: a) verify the most recent real estate tax bill has been paid for the Property; and b) verify total project costs incurred, including sufficient BDD eligible project costs equal to or greater than the amount of Program grant funds awarded to the Applicant by the Village Board. The Village’s obligation hereunder to award grant funds for BDD eligible project costs is a limited obligation to be paid solely from the Hanna City BDD Special Tax Allocation Fund.
 12. The Hanna City Village Board reserves the right to award grant funds only to those Applicants who undertake projects the Village deems to be compliant with the BDD Act and those projects that the Village believes will further stimulate the type of residential neighborhood revitalization that is in the best interests of the citizens of the Village of Hanna City. The rights and obligations of the Applicant under this Program Application shall not be assignable by the Applicant without providing written notice to the Village and the Village’s consent.

The undersigned certifies and warrants that to the best of his/her knowledge the information contained in and attached to this Application Form is true, correct, and complete and furthermore agrees to the terms and conditions provided herein.
